

Remain Faithful

Parent Discussion Questions

Do not feel the need to go through all of these. If there are other questions arise because of this discussion that is fine. This is just a guideline for discussions.

1. Share some words that describe a healthy relationship.
2. What does it mean to you to be faithful in a relationship?
3. Parents talk about your own relationship
How did you meet?

What attracted you to that person?

What were you looking for in a partner?

What has been your biggest struggle in your relationship and how do you overcome it?
4. Tell your child what you want for them in their relationships and why. *(How do you want your child to be treated in their relationships and how do you want them to treat others)*
5. What are some good non-negotiables for a relationship?
Major examples: Verbal abuse, violence, addiction, ect
Minor examples: What is an appropriate level of intimacy at what age?
6. Bible Verse: **1 Corinthians 6: 19 - 20**
¹⁹Or do you not know that your body is a temple of the Holy Spirit within you, which you have from God, and that you are not your own? ²⁰For you were bought with a price; therefore glorify God in your body.

Your body is a temple - What does that mean to you?

Making a Plan

Make a plan as a family! Support your youth by setting boundaries and expectations as a family now. This helps to create safe boundaries that are predictable. It is helpful to re-evaluate this each year as your youth grows older. Make sure you are not just telling your student what is, but explaining why. Let it be a discussion, where they take some ownership in that plan.
