Faith Talks

Choosing a direction, purpose, and mission in life can be a challenge. Why is it so important? Once you have chosen where you want to go, it's much easier to figure out how you're going to get there. Your purpose helps you decide what's important to you. Your mission helps you set your top priorities and how you will spend your time. How does one find purpose in life and live it? How does one discover God's purpose for life and live it? Keep in mind that if you intend to follow Jesus, the question you will need to ask is not only, "What do I want to do with my life?" but also, "What does God want me to do with my life?" These questions are key to the journey of Confirmation.
