Staying in Touch with God

What do you do to stay spiritually motivated, and what helps you stay in touch with God? Like the gasoline in the tank that keeps a motor running, staying in touch with God gives us fuel for the baptismal journey of life and faith. We need to be open and receptive to God and filled with the good things of God that give energy to our soul as we journey Christ's way. May you know the energy and goodness that come from keeping your relationship with God growing and alive.
