### **Lord's Prayer - Discuss together and write out your answers.**

Read the fourth petition of the Lord's Prayer and its meaning.

What do you think "Daily Bread" meant at the time of Martin Luther?

---

---

---

What do you think "Daily Bread" meant at the time of Jesus?

---

---

---

*Bread at the time of Jesus was more than life-giving, it was life sustaining. Making and having bread was challenging. It was hard work. So at the time of Jesus it means more than just food, it means anything that you need for nourishment, in your body and in your spirit.*

In the meaning of the fourth petition, Martin Luther writes that "God gives daily bread without our prayer....".

Do you agree with this meaning? Why or why not?

---

---

---

Martin Luther also states that daily bread is given, “*even to all evil people!*” Discuss with your parent what you think this means?

*This is the meaning of grace, this is Christ’s sacrifice, for which he died on the cross. It was not just for the good and faithful, but it was for ALL people.*

Finally we “*ask in this prayer that God causes us to recognize what our daily bread is and to receive it with thanksgiving.*” Discuss with your parent

Do you always get what you want?

Do you always get what you need? Are you thankful?

*We sometimes get wrapped up into what we want vs what we need. We have an abundance of what we need, and others do not – what we want is not that important. But rather our call as disciples is to be Christ’s hands, Christ’s feet and work towards others receiving what they NEED.*

### **Call to Action**

One of the promises we make in confirmation is to work for peace and justice in the world.

What does that have to do with this petition?

---

---

---

How can you change the world?

---

---

---

Discuss as a Family what you can do to make a difference in the world and in the community and then make a plan to respond to hunger and poverty in the next month.

### **Prayer**

Close with the Lord’s Prayer together.
