It is asking that we put our complete trust in God, and that look to God for everything we need in life

3. *What is the difference between god and God? Use each word in a sentence.*

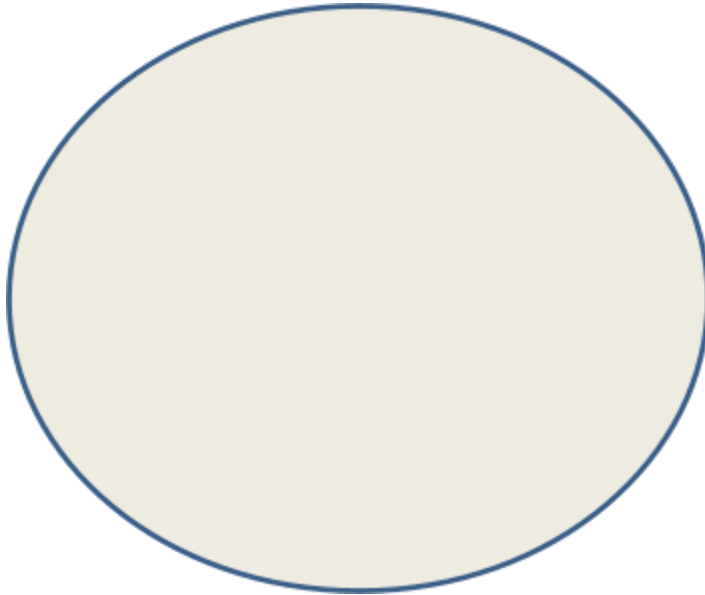

Read Exodus 20: 1- 4

This commandment is about God's identity. Who God is.

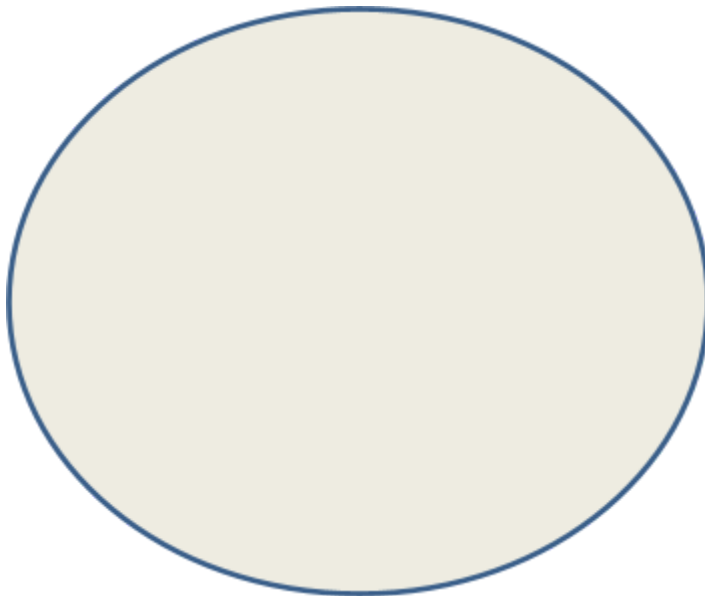

4. *Write down anything about who God is that you find in these verses.*

Think about things or people you put ahead of God. Think about where you spend your time and your money.

5. *Draw a pie graph that shows where you spend your time on the average day. Include sleep, school, homework, family, friends, sports, social media, video games etc.*

- On 3 x 5 cards have kids write one commitment they are going to make to make this happen
- Put them somewhere to remind them of their commitment

Conclusion

We do create other gods.

We make ourselves gods because we act like we are in charge

We need to try to put God first and trust in him

God's promise = God will be our comfort and savior.

Our past is forgiven through Jesus Christ
